**Instructions:**

- In each category, mark your vote(s) as indicated for that category: no more than 5 for the Board of Directors, 1 for Parliamentarian, and 1 for Arbiter.
  
- If you select more than the specified maximum vote(s) in any category, your vote(s) for that entire category will be considered to be invalid and will NOT be counted.
  
- You may choose to not mark any selection in any particular category, as well as select less than 5 candidates for the Board.
  
- Put only your completed ballot in the smaller of the envelopes provided and seal it. Do not put any identifying mark on this envelope, as it contains your secret ballot.
  
- In the case of couples and multi-person memberships, please use one small envelope per ballot; this is why two of each are provided.
  
- If you are executing a proxy, do not put this in the smaller envelope with your ballot but put the proxy in the larger envelope.
  
- Put your smaller sealed ballot envelope in the larger envelope provided (which is addressed to TES, and should have your return address) along with your proxy (if you are assigning your proxy). Seal this, apply the proper first class postage, and mail it so that it is received no later than 72 hours before the election/membership meeting.
  
- You may make additional copies of this ballot, proxy forms, etc., as needed.
  
- You may also cast your ballot in person at the membership meeting on September 9; copies of this ballot will be available there.
